BUILT TO LIVE LIFE TO THE MAX.

The 2020 Ford Expedition is engineered to make it happen. Choose from Expedition and Expedition MAX – based on how big is big enough for your adventures. Nearly a foot longer than Expedition, Expedition MAX can carry 16.9 more cu. ft. of gear! Both spacious interiors offer refined seating for up to 8 in a range of durable fabrics – including available ActiveX material – and available leather trims. Innovative technology can help you stay connected on the go. Plus, standard Ford Co-Pilot360™ can help you confidently navigate your world. We’ve been improving lives for over 116 years by building vehicles big, small, and lots of sizes in between. Our first SUV took you "out there." Our current lineup is designed to take you capable to your destination – in comfort and style. We built a better big for your adventures. And we put our hearts into everything we build.

1 Cargo and load capacity limited by weight and weight distribution.

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. *Please see theFEEDBACK ASSIST feature and Ford emphasis on pedestrian detection. Your vehicle may only.

Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.

NEW KING RANCH®
Exemplifying the open spaces and unbridled freedom of the American Southwest. Expedition King Ranch for 2020 expands the model lineup to 4 distinct trim levels.

ECOBOOST® ENGINES
Powered by a 3.5L EcoBoost V6, Expedition supplies powerful pull and responsive acceleration. An enhanced version on Platinum delivers 400 horsepower and 480 lb.-ft. of torque.
**Platinum. Ebony leather-trimmed interior. Available equipment.**

**Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.**

**PUSH START AND GO**

It’s easy to take command in the 2020 Expedition. Your available Intelligent Access key fob gets you in, and push-button start gets you going without having to insert a key. From big to small, Expedition is designed to empower.

**DIAL IN CONVENIENCE**

A convenient rotary gear shift dial moves the 10-speed automatic transmission from Park to Reverse to Drive. The design frees up center console space as well.

**BIG ON EMPOWERMENT.**

**12-SPEAKER SOUND SYSTEM**

Standard on Limited, King Ranch® and Platinum, the B&O Sound System features a 14-channel amplifier pumping 1,100 watts of digitally processed sound through 12 high-performance speakers, including a subwoofer and 4 midwoofers.

**8” LCD TOUCHSCREEN**

with swipe capability is included with standard voice-activated SYNC® 3.

**SPACIOUS ROWS, WITH SEATING FOR UP TO 8**

Platinum. Ebony leather-trimmed interior. Available equipment. Don’t drive while distracted. Use voice-operated systems when possible, don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

1 Class is Extended Utilities based on Ford segmentation.

2 Cargo and load capacity limited by weight and weight distribution.

3 FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Don’t drive distracted or while using handheld devices. Use voice controls.

Find Your Place
No matter where you sit in Expedition, you’ll be well-cared for. With best-in-class 2nd- and 3rd-row leg room, Plus, available 2nd-row power-folding tip-and-slide seats that make it possible to keep a child-safety seat secured in any section of the seat while you simply slide it forward as passengers get into the 3rd row. An available power, panoramic Vista Roof® brightens the view.

Treat Yourself
To 3rd-row comfort and calm. There, in the power-reclining, PowerFold® seat, you’ll be as comfortable as in any seat in the cabin. You’ve got your own beverage holders, reading lights and available smart-charging USB ports. Beyond that, an available advanced cargo manager behind the 3rd row features an adjustable shelf to help create a customized space for whatever you’re carrying.

Big On Comfort.

Find Your Place
No matter where you sit in Expedition, you’ll be well-cared for. With best-in-class 2nd- and 3rd-row leg room, Plus, available 2nd-row power-folding tip-and-slide seats that make it possible to keep a child-safety seat secured in any section of the seat while you simply slide it forward as passengers get into the 3rd row. An available power, panoramic Vista Roof® brightens the view.

Treat Yourself
To 3rd-row comfort and calm. There, in the power-reclining, PowerFold® seat, you’ll be as comfortable as in any seat in the cabin. You’ve got your own beverage holders, reading lights and available smart-charging USB ports. Beyond that, an available advanced cargo manager behind the 3rd row features an adjustable shelf to help create a customized space for whatever you’re carrying.

2nd-Row Captain’s Chairs
Outfit Expedition with your choice of a 2nd-row bench seat for 3, or available individual captain’s chairs. New this year on XLT, 2nd-row captain’s chairs can be trimmed in durable ActiveX® seating material.
ENJOY THE DRIVE
Your available 10-way power driver’s seat (including power lumbar and recline), available power-adjustable pedals, available power-fold-telescoping steering column and available power sideview mirrors all have a memory feature. Conveniently recall your stored settings (for up to 3 different drivers) with just the touch of a button.

ENJOY THE RIDE
Not behind the wheel? You'll still enjoy your time in Expedition. FordPass Connect™ with Wi-Fi hotspot capability and an available Dual-Headrest Rear Seat Entertainment System allow you to view content from your compatible Apple® or Android™ devices on the screen mounted to the back of each front seat. Access content via SD card, HDMI cable or USB device as well.
MAX OUT CARGO SPACE.

CARRY MORE WITH MAX
Nearly a foot longer than Expedition, with extra room in all the right places, Expedition MAX can accommodate an additional 16.9 cu. ft. of gear! Plus, you’ll enjoy more head room in the 3rd row and larger rear door openings for easy entry and exit. Max out cargo space, and your adventures, in Expedition MAX.

ACCESS CARGO EASILY
Manually open the liftgate glass or the liftgate itself or simply wave your foot under the rear bumper to take advantage of the available hands-free, foot-activated liftgate. With both rear rows folded flat, Expedition MAX can carry 4’ x 8’ sheets of plywood with the liftgate closed.

POWER TO MOVE MOUNTAINS.

That’s EcoBoost® power and, in the 2020 Ford Expedition, it delivers up to 400 horsepower and 480 lb.-ft. of torque! A 10-speed automatic transmission with SelectShift® capability utilizes that power smoothly and confidently. Expedition towing capability of 9,300 lbs. is best in class. Plus, available advanced towing technologies help make towing and backing up your trailer easy. You can even choose which type of get-in-and-go confidence you need using the available Terrain Management System™ which allows you to choose from 7 preset modes to optimize driving dynamics to road conditions. Scale new heights in Expedition.

EPA-ESTIMATED RATINGS: CITY/HWY/COMBINED MPG

### 3.5L ECOBOOST V6

**375 MAX. HORSEPOWER**

**470 MAX. TORQUE (LB.-FT.)**

This twin-turbocharged, port- and direct-fuel-injected engine delivers responsive acceleration. The wide 7.4:1 gear ratio span of the 10-speed transmission helps smooth out steps between gears – delivering the engine’s power consistently for an enjoyable driving experience.

Standard on XLT, Limited, King Ranch®

### 3.5L ECOBOOST V6

**400 MAX. HORSEPOWER**

**480 MAX. TORQUE (LB.-FT.)**

This enhanced version of the 3.5L EcoBoost delivers increased levels of horsepower and torque – befitting the Platinum name.

Standard on Platinum
FORD CO-PILOT360 ™ TECHNOLOGY
READY WITH AN ASSIST.

From the driveway to the highway, our standard and available driver-assist features are designed to help you feel confidently in command at the wheel of your Expedition.

FORD CO-PILOT360 APPLI CATION

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

BLIS® WITH CROSS-TRAFFIC ALERT
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

LANE-KEEPING SYSTEM
It happens. Listening to your favorite podcast, you wander too close to your lane’s edge. Our Lane-Keeping System™ can help during a moment of distraction. If you drift out of your lane, it directs you to keep your vehicle in lane. It also helps when you’re backing up a trailer. A washer helps keep the camera free of debris (like dirt or snow), helping you navigate Reverse clearly and with more confidence.

AUTO HIGH-BEAM HEADLAMPS
Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense incoming headlamps and dim automatically for other drivers.

REAR VIEW CAMERA
Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what’s behind your vehicle. It also helps when you’re backing up a trailer. A washer helps keep the camera free of debris (like dirt or snow), helping you navigate Reverse clearly and with more confidence.

FORD CO-PILOT360 ASSIST
Standard on King Ranch and Platinum
Optional on Limited

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO
There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed.

VOICE-ACTIVATED NAVIGATION
Taking the wrong exit can sap a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services to help you avoid traffic, find fuel (gas or java), and so much more.

ADDITIONAL TECHNOLOGY

ENHANCED ACTIVE PARK ASSIST
Never pass up a potential parking space again. Enhanced Active Park Assist makes it easy to park time after time – even in tight parallel or reverse perpendicular spots. Just activate, shift, accelerate and brake while Expedition takes care of the rest. Park Out Assist with side-sensing capability can help you confidently navigate out of a spot when someone’s parked too close.

HILL START ASSIST
It feels good to hold your ground. Especially on a grade. As you remove your foot from the brake pedal to accelerate from a stop, Hill Start Assist can help by preventing Expedition from rolling downhill.

360-DEGREE CAMERA
True to its name, the 360-Degree Camera with Split-View Display lets you see around Expedition, from every side. Very helpful while centering Expedition in a parking spot, driving around a crowded campground or while navigating a tight section of off-road trail.

Standard on King Ranch and Platinum
Available on XLT and Limited

Available equipment shown. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with Automatic Emergency Braking can alert you to potential collisions, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. “Lane-Keeping System does not control steering.” If it’s longer than 5 seconds, drive must interven e and press “ESC” button or accelerator pedal to resume system operation. Certain restrictions, 3rd-party terms and data rates may apply. See footnotes 1 on the “Your Tech, Your Way” pages, and your Ford Dealer for details.
YOUR TECH, YOUR WAY.

With seating for up to 8 and Wi-Fi hotspot capability, Ford Expedition welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with SiriusXM® inside your vehicle and on the go, with a 6-month All Access trial subscription. With our available Voice-Activated Touchscreen Navigation System, you’ll enjoy a 5-year subscription to SiriusXM Traffic and Travel Link® services.

COMMAND IT

With your voice and your choice of display. SYNC® 3 voice-activated technology® connects your tech with your Expedition. SYNC 3 AppLink™ (shown) gives you voice control of compatible mobile apps like Waze™ and Ford+Alexa. To see your phone’s familiar interface on the big screen, take advantage of compatibility with Apple CarPlay™ for your iPhone® or Android Auto™ for your Android™ smartphone.

CONTROL IT

Monitor and control your vehicle in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skill or FordPass Action through Google Assistant® when equipped with FordPass Connect™. Complementary remote features let you start, lock and unlock your vehicle from just about anywhere, including right from your wrist with your Apple Watch®. Use your app to find your vehicle, schedule starts, find parking® and check fuel and-fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App puts it at your fingertips. And, when it’s time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery® and peace of mind knowing roadside assistance is just a call or e-request away.

CONNECT IT

With in-vehicle Wi-Fi. Before you’ve even left the dock, you and your friends can be posting your adventure videos through FordPass Connect® with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once—inside of Expedition and up to 50’ away.

Available equipment shown. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Commands may vary by phone and AppLink software. Alexa requires available SYNC AppLink. Certain Alexa functionality is dependent on smartphone and home technology. FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Existing technology/traffic/services/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi Hotspot® service. FordPass App, compatible with select smartphone platforms, is available via a download. FordPass Connect service is provided via FordPass Terms for more information). Message and data rates may apply. Check your availability at https://amzn.to/2JnYMtz. "Roadside assistance is included for certain owners and available to everyone for a per-service fee. “Don’t drive while distracted or while using handheld devices. Use voice controls.
GO BIG FOR BETTER ADVENTURES.

With best-in-class max. 9,300-lb. towing capability, you can hit the ground towing in the 2020 Ford Expedition. If it all begins with a high-strength-steel frame and high-strength aluminum-alloy body. It continues with the 10-speed automatic transmission. SelectShift® capability allows you to manually upshift or downshift without using a clutch. Progressive range select mode allows you to look out the upper gears while towing to help maintain a consistent speed on steep grades. And tow/haul mode features smart shift logic that helps eliminate unwanted frequent gear shifting on steep uphill grades, while allowing engine braking to help maintain vehicle speed when descending a steep grade with a load in tow.

Available Ford Co-Pilot360™ Technology includes Pro Trailer Backup Assist™ (PTBA), which makes backing up your trailer as easy as turning a knob. Once the system is programmed, simply rotate the PTBA knob left or right in the direction you want the trailer to go. The system then automatically steers Expedition to turn the trailer the desired amount. While your sideview mirrors are your primary visual aid, PTBA features a Rear View Camera image that allows you to view trailer direction and help determine trailer placement. Further assistance is provided by our available 360-Degree Camera with Split-View Display that works at low speeds in Forward and Reverse. Four cameras let you see all sides of Expedition on the 8” color LCD screen in the center stack.

Maximum loaded trailer weight (lbs.)

GO BEYOND PAVEMENT
Now for 2020, FX4 Off-Road Packages are available on Limited as well as XLT Expedition models. Your Expedition takes you farther – and back – with off-road capable equipment in both package options.

Available on XLT, Limited

NEW FOR 2020, FX4 OFF-ROAD PACKAGES ARE AVAILABLE ON LIMITED AS WELL AS XLT EXPEDITION MODELS. EQUIP YOUR EXPEDITION TO GET OUT THERE – AND BACK – WITH THE OFF-ROAD CAPABLE EQUIPMENT IN THESE PACKAGES.

Available on XLT, Limited
Ford

There's lots to love about Limited. Inside and out. Bright exterior accents adorn the grille, roof-rack side rails and power-deployable running boards, which extend as soon as a door is opened to help you enter and exit with ease. Inside, a convenient driver’s memory feature recalls saved settings for your heated and ventilated leather-trimmed seat, power-tilt/-telescoping steering column, power-adjustable pedals, and power-folding heated sideview mirrors. A B&O Sound System is acoustically tailored to Expedition, which will be evident from the very first moment you turn it on. And both 1st and 2nd rows benefit from one-touch-up/-down power windows. Choose 4x2 or 4x4.

LIMITED INCLUDES SELECT XLT 202A FEATURES, PLUS:

Cargo Package: advanced cargo manager and roof-rail crossbars (not available on 303A)

Ride like a king with the striking King Ranch® trim level that brings Southwestern luxury to the 2020 Ford Expedition. Featuring rich Del Rio leather trim covering the seats, door-trim inserts, armrests, center console side rails and steering wheel, Expedition King Ranch showcases a commitment to quality that’s a hallmark of the legendary King Ranch in Kingsville, Texas. Their famous “Running W” logo even brands the seatbacks in all 3 rows, carpeted floor mats and massive 22” machined-face aluminum wheels. For an Expedition that embodies the wide-open spaces and freedom-loving spirit of the American West, step up to King Ranch.
Scale new heights with Platinum. Starting with the power of an enhanced 3.5L EcoBoost™ engine that delivers 400 horsepower and 480 lb.-ft. of torque. Outside, bright accents on the door handles, grille, power-deployable running boards and tailgate are complemented by massive 22" aluminum wheels. Inside, enjoy real wood accents and a leather-wrapped steering wheel. Plus, Luxury leather-trimmed heated and ventilated multicontour front seats with Active Motion. 1st- and 2nd-row seats feature perforated inserts and quilted bolsters. And new for 2020: leather-wrapped door roll covers, a leather-wrapped instrument panel top, and unique center console side rails for further refinement. You’ve reached the pinnacle up here. The 2020 Expedition Platinum.
New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year, 36,000-mile bumper-to-bumper coverage, 5-year, 60,000-mile Powertrain Warranty coverage, 5-year, 60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage - all with no deductible. Please ask your Ford Dealer for all of these advantages.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may only be a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that’s right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. A new insurance product designed just for Ford owners. Ford Insure can help you save money on auto insurance for your connected Ford vehicle. Drive smarter, become an even better driver and earn bigger discounts – it’s a win-win-win. Visit the FordPass mobile app or call 1-833-Ford-183.

American Road Services Company LLC is the licensed insurance agency supporting Ford and Lincoln-insurance programs. Ford Insure is underwritten by Nationwide Mutual Insurance Company and Affiliated Companies. Subject to underwriting guidelines, review, and approval. Product not available to all persons in all states. Coverage vary by state. Availability, prices, product features and underwritings vary by state. For full details, please visit the FordProtect.com website.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and or a copy of all limited warranties.

With FordPass Rewards™ you can earn 3,000 Points toward Ford exclusively for future service, accessories or even your next new vehicle purchase. Use your app to schedule service, you can pick it up from your FordPass App.

In addition to complimentary maintenance, you can earn FordPass Rewards™ Points for many of the things you already do with us, including, service and maintenance at participating dealers. You can also redeem your Points for discounts on service parts, accessories and new vehicle purchases. Use your app to watch your Points grow and decide how you use them.

Stay connected and in control of your vehicle with compatible remote features accessed through the FordPass App. Start, lock and unlock your vehicle, schedule a start, even check fuel and fluid levels right from the app. You can also get vehicle health alerts, service and vehicle alerts to help you keep your vehicle in top condition.

Download the FordPass app today.

Expedition MAX Platinum in Rapid Red Metallic Tinted Clearcoat accessorized with hood deflector, side window deflectors, splash guards, roof crossbars, and roof-mounted cargo box™.
From day one, we had the future in mind. And for over 116 years, we’ve focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that’s well built. That you’re proud to drive.

Born in Detroit, made in America¹ and famous worldwide:

We are the Ford Motor Company.

Your mobility is at the center of everything we do.

And we’re excited to be designing and building smart vehicles that work for you. It’s why we put our family name on every one. From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care.

For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
