Welcome to the all-new Subaru Legacy. Love, for all the right reasons.
Arrive like you’ve never imagined.

Welcome to the all-new 2020 Legacy. Our best ever.

It’s that feeling you get when the next level is within reach, when the latest safety technologies combine with renowned Subaru reliability to give you confidence. A sense of connection is made possible by advanced technology, and you experience the warm invitation of premium materials and abundant space. You’re here. Feel the love, for all the right reasons.

Safest

Innovations in the Legacy look out for you and help keep you focused on the road, including the standard EyeSight® Driver Assist Technology1 and the newly available DriverFocus™ Distraction Mitigation System. Underlying this is the Subaru Global Platform that’s up to 70% stronger to help keep you safe and secure.

Most Reliable

This has always been a sedan designed to last: 96% of Legacy vehicles sold in the last 10 years are still on the road today! One of the many reasons is Subaru core technology, featuring Subaru Symmetrical All-Wheel Drive, standard on every Legacy. This has always been a sedan designed to last: 96% of Legacy vehicles sold in the last 10 years are still on the road today. One of the many reasons is Subaru core technology, featuring Subaru Symmetrical All-Wheel Drive, standard on every Legacy.

Most Advanced

An available 11.6-inch touchscreen makes connection easy and intuitive. Through SUBARU STARLINK® Multimedia, you can enjoy your music and apps almost anywhere you go with standard Apple CarPlay® and Android Auto™ integration.

Most Comfortable and Spacious

Abundance is what defines comfort and space in our most refined sedan ever. It means soft-touch materials throughout the spacious cabin, including a generous 39.5 inches of legroom for rear-seat passengers. And Legacy Touring XT indulges you even more with upgrades including genuine Nappa Leather.
We've been expecting you.

With next-level comfort and generous space, the Legacy is designed to welcome you every time. Even before you get in, available Remote Engine Start with Climate Control lets you set your ideal temperature so the interior is ready for you the moment you enter. The experience continues with a roomy cabin that includes 39.5 inches of rear legroom—more than the Camry, Fusion, Malibu and Altima—plus soft-touch materials, available heated front and rear seats, and an available heated steering wheel. And thanks to laminated glass and a body structure that optimizes the placement of sound insulation, this is the quietest Legacy interior ever.

Soft-touch Materials

Genuine Nappa Leather

Heated Rear Seats and Dual USB Charge Ports

Touring XT refines the feeling further.

Only by selecting the Touring XT model can you elevate your Legacy with a genuine Nappa Leather interior. Heated and ventilated seats and a heated steering wheel increase the comfort in the front row, while features like automatic power-folding side mirrors take convenience even higher. It’s the Legacy in its most inviting form.

1 Availability varies by model. See your retailer for details.
2 Requires Keyless Access with Push-Button Start and subscription to STARLINK Safety and Security Plus services. 6-month free trial included. See your retailer for details.
3 Competitor information from manufacturer websites for 2019 model-year vehicles and current at time of printing. Competitors’ maximum specification figures used for comparison.
An extra set of eyes every time you drive.

Every 2020 Legacy includes standard Subaru EyeSight® Driver Assist Technology.1

Equipped with a comprehensive suite of innovative safety features, EyeSight® looks ahead, alerts you to potential dangers and can even intervene to help you avoid a collision.

Pre-Collision Braking
Can help slow and bring your Legacy to a full stop if necessary.

Lane Departure and Sway Warning
Can alert you if you drift to the edge of your lane and begin to cross into another.

Advanced Adaptive Cruise Control with Lane Centering
Automatically helps keep you centered in your lane, at a safe distance behind the car in front of you—
even in traffic and around curves.

Pre-Collision Throttle Management
Can reduce engine power to help give you more time to react and to help minimize the possible impact force and frontal impact damage.

EyeSight® reduces rear-end crashes with injuries by 85%

Legacy Touring XT in Abyss Blue Pearl.

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Advanced Adaptive Cruise Control and Blind Spot Detection are designed to assist the driver and are not substitutes for safe and attentive driving. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. The Lane Departure and Sway Warning operates only when lane markings are visible, and its effectiveness depends on many factors. See Owner’s Manual for complete details on system operation and limitations.

Every day in the U.S., more than 1,000 people are injured in crashes reported to have involved a distracted driver.1 As an industry leader in safety, Subaru developed the DriverFocus™ Distraction Mitigation System,2,3 one of the first technologies of its kind. Engineered for both new and experienced drivers, it works together with Subaru EyeSight® to help detect distracted or drowsy driving. If the driver’s attention strays from the road for too long, DriverFocus can deliver visual and auditory alerts to bring attention back to the road.

1 Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2015, in Traffic Safety Research Notes. DOT HS 812 381. March 2017. National Highway Traffic Safety Administration: Washington, D.C. 2 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver’s face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner’s Manual for complete details on system operation and limitations. 3 Availability, vary by model. See your retailer for details.
In the stop-and-go, confidence in all directions.

Legacy Touring XT in Abyss Blue Pearl.

Blind-Spot Detection
Using radar sensors, Blind-Spot Detection\(^1,2\) warns you with a visual indicator on your side mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane.

Rear Cross-Traffic Alert
Rear Cross-Traffic Alert\(^1,2\) uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking
Reverse Automatic Braking\(^1,3\) can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Legacy to a stop should an object be detected within its range and if the driver fails to act. There’s also the Rear-Vision Camera to help you keep an eye out.

Enhanced Awareness
No matter where you go, there are things you might not see coming. We prioritize giving you a clear view of what’s ahead and around corners, with the 180-Degree Front View Monitor\(^*\) and standard LED headlights with available steering responsive functionality. The Legacy is also equipped with innovations that help keep you aware whether you’re moving forward, reversing or changing lanes, so you can enjoy peace of mind on every drive.

SUBARU STARLINK® Safety and Security
The Legacy features the latest STARLINK® Safety and Security\(^4\) system, which can alert a first responder in an emergency, help police locate your vehicle if it’s stolen and more. To get you started, new Legacy drivers enjoy a free three-year STARLINK® Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and customizable vehicle alerts.

---

1 Availability varies by model. See your retailer for details. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 This Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution, and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations. 4 Subscriptions with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.
Let your passion take you far.

Reliability for miles—and more.

Starting from its very core, the Legacy is built for longevity. Subaru Symmetrical All-Wheel Drive is the result of decades of Subaru expertise in full-time AWD engineering. The horizontally-opposed design of the SUBARU BOXER® engine results in less vibration and wear-and-tear, and the Subaru Global Platform is simply our strongest foundation ever—incredibly durable and built to last.

Choose your engine:

In the Legacy, two engine options deliver the power you need to pass vehicles in the city and the efficiency to go the distance on the highway. The 182-hp direct-injection SUBARU BOXER® engine yields capable performance and up to 35 MPG highway.1 Those who want to play to their edge can opt for the 260-hp direct-injection turbocharged SUBARU BOXER® engine delivering 277 lb-ft of torque along with up to 32 MPG highway.1,2 Either way, you use only the fuel you need, as the standard Auto Start-Stop can shut off the engine anytime you come to a complete stop.

1. EPA-estimated highway fuel economy for 2020 Legacy 2.5L models at 35 highway mpg and 2020 Legacy XT models at 32 highway mpg. Actual mileage may vary. 2. Availability varies by model. See your retailer for details.

Legacy Limited XT in Magnetite Gray Metallic.
Accessing your favorite media whenever you want is essential. Go big on your ability to connect with an available 11.6-inch touchscreen—a bigger than what’s offered on sedans like the Accord, Camry, Malibu and others.** Subaru Starlink® Multimedia with standard Apple CarPlay® and Android Auto™ integration makes your apps easy and intuitive to use, while your playlists shine with renewed fidelity, as the available Harman Kardon® premium sound system uses 576 equivalent watts of power to deliver pristine audio through 12 speakers.** Passengers enjoy connection to their media, too, with built-in Wi-Fi capability** and four USB ports** that ensure charged devices all around.

**Availability varies by model. See your retailer for details.
*Competitor information from manufacturer websites for 2019 model-year vehicles and current at time of printing. Competitors’ maximum specification figures used for comparison.
**Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan.
*DriverFocus ™ Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver’s face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner’s Manual for complete details on system operation and limitations.

Connect at any moment. Accommodate for any mood.

Customization that remembers you.

From the moment you sit behind the wheel, the available DriverFocus™ recognizes you and automatically adjusts the Legacy to your preferences.** This includes driver’s seat settings, climate controls, side mirrors and even your choices for which vehicle system information appears on the screen.
Eyesight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when

2020 Legacy | Models

Legacy

• 183-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct injection and auto start-stop technology
• EyeSight® Driver Assist Technology®
• Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
• Lineartronic® CVT (Continuously Variable Transaxle) with 8-speed manual-mode paddle shifters
• Auto-on/off LED headlights with High Beam Assist
• 17-inch steel wheels with covers
• Cloth upholstery
• 8-way manually adjustable driver seat and 4-way manually adjustable front passenger seat
• Driver and front passenger auto- leaning power windows
• SUBARU STARLINK® Dual 7.0-inch Multimedia with Apple CarPlay®/Android Auto.1* SiriusXM® All Access Radio1 and Travel Link2 – it speaks, AM/FM stereo, Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and auxiliary input jack
• Automatic climate control
• Glove box 12-volt power outlet
• Welcome lighting
• RearVision Camera

Legacy Premium

Includes Legacy key features and adds:
• Body-color side mirrors with integrated turn signals
• 17-inch aluminum-alloy wheels
• All-weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper deicer
• 10-way power-adjustable driver seat with lumbar support
• Leather-wrapped steering wheel and shifter knob
• SUBARU STARLINK® 11.6-inch Multimedia Plus with Apple CarPlay®/Android Auto.2 SiriusXM® All Access Radio1 and Travel Link2 – it speaks, AM/FM stereo, Bluetooth® audio streaming and hands-free phone and text messaging connectivity
• 4G LTE Wi-Fi capability
• Dual rear seat USB charge ports
• Center console 10-volt power outlet
• Dual-zone automatic climate control system with air filtration
• STARLINK® Safety and Security included: Includes features and services such as Advanced Automatic Collision Notification, Remote Engine Start with Climate Control3 and Concierge Services

Legacy Sport

Includes Legacy Premium key features and adds:
• Crystal Black Silica front grille
• Crystal Black Silica front exterior mirrors with integrated turn signals
• Sport trunk spoiler
• Sport rear bumper
• 18-inch aluminum-alloy wheels in black metallic finish
• LED fog lights
• Keyless Access with Push-Button Start
• Two-tone Gray Cloth upholstery with red contrast stitching
• STAR DRIVE Engine Performance Management
• Aluminum-alloy pedal covers
• Auto-dimming rearview compass mirror with HomeLink®
• Auto-up/ down front and near windows

Legacy Limited

Includes Legacy Limited key features and adds:
• 18-inch aluminum-alloy wheels
• LED Steering Responsive Headlights
• LED fog lights
• Automatic 18-inch passenger-side mirror
• Keyless Access with Push-Button Start
• Leather-trimmed upholstery
• 8-way power-adjustable front passenger seat
• Adjustable driver seat thigh support
• Two-position memory driver seat and side mirrors
• Heated outboard rear seat
• Harman Kardon® 750-watt equivalent premium audio system with 12 speakers
• Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
• Reverse Automatic Braking
• Auto-dimming rearview compass mirror with HomeLink®
• Auto-up/ down front and near windows

Legacy Limited XT

Includes Legacy Limited key features and adds:
• 2.5-liter 4-cylinder direct-injection turbocharged SUBARU BOXER® engine and auto start-stop technology
• Lineartronic® CVT (Continuously Variable Transaxle) High-Torque with 8-speed manual-mode paddle shifters
• Dual exhaust with stainless steel tips
• Automatic power-folding side mirrors with Satin chrome
• Body-color door handles with chrome inserts
• Crystal Black Silica finish pillar trim
• 16-inch Front View Monitor
• Power moonroof
• Sound-insulating front door glass
• Sierra Tan Nappa leather-trimmed upholstery
• High-grade leather-wrapped heated steering wheel
• Triple-side vented front seats
• SUBARU STARLINK® 11.0-inch Multimedia Navigation with 3 years of map updates, SiriusXM All Access Radio1: Traffic8 and Travel Link2 and CD Player
• DriverFocus Distraction Mitigation System4

Legacy Touring XT

Includes Legacy Touring key features and adds:
• 2.5-liter 2.5-liter 4-cylinder direct-injection turbocharged SUBARU BOXER® engine and auto start-stop technology
• Lineartronic® CVT (Continuously Variable Transaxle) High-Torque with 8-speed manual-mode paddle shifters
• Dual exhaust with stainless steel tips
• Automatic power-folding side mirrors with Satin chrome
• Body-color door handles with chrome inserts
• Crystal Black Silica finish pillar trim
• 16-inch Front View Monitor
• Power moonroof
• Sound-insulating front door glass
• Sierra Tan Nappa leather-trimmed upholstery
• High-grade leather-wrapped heated steering wheel
• Triple-side vented front seats
• SUBARU STARLINK® 11.0-inch Multimedia Navigation with 3 years of map updates, SiriusXM All Access Radio1: Traffic8 and Travel Link2 and CD Player
• DriverFocus Distraction Mitigation System4

The Subaru Legacy has the Best Resale Value in its class for 2020, according to Kelley Blue Book.1

Based on IHS Markit U.S. 2019 Kelley Blue Book Brand Image Awards are based on the Brand Perception Figureys for 2019 Kelley Blue Book Brand Image Awards are based on the Brand Perception Figures used for comparison.

The Subaru Legacy has 39.3 inches of rear legroom – more than the Camry, Fusion, Malibu, Altima, and Sonata.2

The Subaru Legacy has the Most Trusted Brand for five years running, according to Kelley Blue Book.3

96% of Subaru Legacy vehicles sold in the last 10 years are still on the road today.4

1 Eyesight is an all-weather technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when

### Exterior
- LED headlights with high beam assist (HBA)
- LED Steering Responsive Headlights (SRH) with high beam assist (3xV)
- LED fog lights
- Black headlight trim
- Body-color folding side mirrors with integrated turn signals
- Automatic fold-down passenger side mirror
- Heated side mirrors and weatherstripped rear view (4xW) - Weather Package
- Power-shading glass nonexistent (50% UV light reducing)
- Sport apportioned signage: Sport front grille • Crystal Black Silica inner capes • Sport rear bumper • Black metallic trim accentuating wheels and front spoiler
-rosing RT) appearance upgraded: Crystal Black Silica full pear
- Automatic power-folding mirrors with Satin chrome • Body-color door handles with chrome trim.

### Seating and Trim
- 8-way manually adjustable driver seat
- 4-way manually adjustable front passenger seat
- 10-way power-adjustable driver seat with power adjustable lumbar support
- 4-way manually adjustable front passenger seat
- 10-way power-adjustable driver seat with 2-position memory and power-adjustable lumbar support and adjustable thigh support
- 6-way power-front passenger seat
- Headrests with fixed headrests
- Heated front and front outboard rear seats
- 2-way adjustable headrests
- Heated steering wheel
- Leather-wrapped steering wheel and shifter handle
- DriverFocus ™ Distraction Mitigation System (DMS)

### Conveniences
- Keyless Access with Push-Start Button and PIN code vehicle access
- Automatic driver headlamp activation
- Auto-dimming rearview mirror (HomeLink™)
- Driver knee airbag (SRS)

### Climate Control
- Automatic climate control system with air filtration
- Dual-zone automatic climate control system with air filtration

### Instrumentation
- Driver and front-passenger auto up/down power windows
- Blind-Spot Detection with Lane Change Assist and Rear Cross Traffic Alert 8
- Reverse Automatic Braking (RAB) 9
- Power Moonroof
- SUBARU STARLINK ® 11.6-inch Multimedia Navigation System
- 6-way manually adjustable driver seat
- 4-way manually adjustable front passenger seat
- 10-way power-adjustable driver seat with power adjustable lumbar support
- 4-way manually adjustable front passenger seat
- 10-way power-adjustable driver seat with 2-position memory and power-adjustable lumbar support and adjustable thigh support
- 8-way power-front passenger seat
- Headrests with fixed headrests
- Heated front and front outboard rear seats
- 2-way adjustable headrests
- Heated steering wheel
- Leather-wrapped steering wheel and shifter handle
- DriverFocus ™ Distraction Mitigation System (DMS)

### Additional Features
- Key features include: Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts, Remote Engine Start with Climate Control (RemoteLock/Unlock), Conserve Services and more
- Subaru advanced front airbag system with driver and front passenger front airbags (SRS)
- Driver airbag (SRS)
- Front-passenger seat cushion airbag (SRS)
- Side-curtain airbags with rollover sensor protecting front and rear outboard occupants. Seat-mounted front side-impact airbags (SRS)
- Whiplash restraint front seats with adjustable height-dependent head restraints
- Height-adjustable 3-point front seatbelts with pretensioners and force limiters
- 3-point seatbelts at all rear seating positions
- Height-adjustable 3-point front seatbelts with pretensioners and force limiters
- Auto-dimming rearview compass mirror with HomeLink™
- Key features include: Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts, Remote Engine Start with Climate Control (RemoteLock/Unlock), Conserve Services and more
- Subaru advanced front airbag system with driver and front passenger front airbags (SRS)
- Driver airbag (SRS)
- Front-passenger seat cushion airbag (SRS)
- Side-curtain airbags with rollover sensor protecting front and rear outboard occupants. Seat-mounted front side-impact airbags (SRS)
- Whiplash restraint front seats with adjustable height-dependent head restraints
- Height-adjustable 3-point front seatbelts with pretensioners and force limiters
- 3-point seatbelts at all rear seating positions
- Rear child-safety door locks

### Audio System
- 6 speakers
- Harman Kardon ® premium audio system with a 576-watt-equivalent amplifier and 12 speakers
- SUBARU STARLINK ® Dual 7-inch Multimedia with Apple CarPlay ®, Android Auto ™, Starlink ® Cloud-based Applications, SiriusXM ® All Access Radio ® and Travel Link ®, dual USB input 2nd and 3rd Row, 4 speakers, AM/FM stereo, HD Radio ®, Bluetooth ® audio streaming and hands-free phone and text messaging connectivity, and 3.3-inch color touchscreen display
- SUBARU STARLINK ® 5.0 inch Multimedia Plus with Android Auto ™, Apple CarPlay ®, SiriusXM ® All Access Radio ® and Travel Link ®, Waze ®, Google Maps ®, Siri ® Eyes Free, Bluetooth ® hands-free and streaming audio, and Real-time traffic information with SiriusXM ® Traffic and Travel Link ®
- SUBARU STARLINK ® 6.5 inch Multimedia with All Access Radio ®, SiriusXM ® All Access Radio ® and Travel Link ®, Waze ®, Google Maps ®, Siri ® Eyes Free, Bluetooth ® hands-free and streaming audio, Siri ® Eyes Free, Real-time traffic information with SiriusXM ® Traffic and Travel Link ®, HD Radio ®, Bluetooth ® audio streaming and hands-free phone and text messaging connectivity, 6.5-inch auxiliary jack

### Standard/Optional Equipment
- SUBARU STARLINK ® 5.0 inch Multimedia Navigation System with 3 years of map updates, Apple CarPlay ® AutoPilot, Siri ® Eyes Free, Bluetooth ® hands-free and streaming audio, Samsung ® All Access Radio ® and Travel Link ®, Waze ®, HD Radio ®, Bluetooth ® audio streaming and hands-free phone and text messaging connectivity, 5.5-inch auxiliary jack
- SUBARU STARLINK ® 5.0 inch Multimedia Navigation System with 3 years of map updates, Apple CarPlay ® AutoPilot, Siri ® Eyes Free, Bluetooth ® hands-free and streaming audio, Samsung ® All Access Radio ® and Travel Link ®, Waze ®, HD Radio ®, Bluetooth ® audio streaming and hands-free phone and text messaging connectivity, 5.5-inch auxiliary jack
- SUBARU STARLINK ® 6.5 inch Multimedia Navigation System with 3 years of map updates, Apple CarPlay ® AutoPilot, Siri ® Eyes Free, Bluetooth ® hands-free and streaming audio, Samsung ® All Access Radio ® and Travel Link ®, Waze ®, HD Radio ®, Bluetooth ® audio streaming and hands-free phone and text messaging connectivity, 6.5-inch auxiliary jack
- SUBARU STARLINK ® 11.6 inch Multimedia Navigation System with 3 years of map updates, Apple CarPlay ® AutoPilot, Siri ® Eyes Free, Bluetooth ® hands-free and streaming audio, Samsung ® All Access Radio ® and Travel Link ®, Waze ®, Google Maps ®, Siri ® Eyes Free, Real-time traffic information with SiriusXM ® Traffic and Travel Link ®

### Remote Engine Starter
- Allows vehicle to be started remotely by pressing a button from your mobile phone or key fob, or from the SUBARU STARLINK ® 11.6 inch Multimedia Navigation System using your SUBARU STARLINK ® 11.6 inch Multimedia Navigation System
- Remote Engine Starter is a convenient feature that allows you to remotely start your vehicle from your mobile phone or key fob, or from the SUBARU STARLINK ® 11.6 inch Multimedia Navigation System.

### Cargo Net
- Neatly folds cargo upright and helps prevent it from sliding while the vehicle is in motion.

### Body Side Molding
- Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from sunlight glare.

### Rear Bumper Applique
- Clear, scratch-resistant rear bumper helps to protect bumper and provides a decorative pearl coated Subaru logo.
For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

Not intended for use on top of Carpeted Floor Mats.

Intelligent Charging Profiles, cell phone battery protection, temperature control technology and more. Make sure your device is fully charged and ready to use with the Wireless Charger.

Short circuit safe guards. Compatible with all Qi enabled devices and Samsung Fast Charge enabled devices. Anti-Slip rubber insert safely holds your mobile device.

Conveniently charge your phone without the hassle of tangled wires. The Wireless Charger.

A new view on what you can carry.

A new view on what you can carry.  All-Weather Floor Liners. Custom-fit floor liners that protect your vehicle from spills, snow, salt and dirt.  Includes a textured mat under the rear cargo area. This protects the carpet from accidental spills, sand, snow, mud, and carpool from your handbag.  LED Upgrade - Dome light. Upgrade your vehicle with one of LED dome lights. The LED dome light of the vehicle delivers a clearer, crisper interior lighting of the dome light than the standard overmantle lighting.

Auto-Dimming Mirror with Compass and HomeLink®. This upgraded Auto-Dimming Mirror detects glare and darkens automatically, helping to keep your eyes on the road. The illuminated compass in the mirror provides additional information when lowering the seats to transport larger cargo.

Auto-Dimming Exterior Mirrors with Approach Light. When lowering the seats to transport larger cargo, the side-view mirrors will help illuminate the casting light on all four doors and the ground near the vehicle. This ensures an easier way, and safer, to come and go with the accessory.

Auto-Dimming Exterior Mirror with Approach Light. These mirrors have a built-in digital compass. Three backlit HomeLink® devices are opened or unlocked with the key fob, LED lights on the side-view mirrors will help illuminate the casting light, and crisper interior lighting of the dome light when lowering the seats to transport larger cargo.

New for Legacy!

Help protect your door by attaching a Door Guard Tray. This accessory is color-matched, stainless steel Door Guard Tray provides additional protection to the rear seatbacks and cradles your gear even when you’re parked. The Door Guard Tray is comprised of durable materials that are easy to clean and won’t scuff or damage your vehicle’s paint. Its body-colored appearance is an upscale to the standard equipment.

Protecting Your Investment

Once you’re in the Subaru family, you’ll be there for life. Every Subaru comes with 120,000-mile/10-year powertrain warranty for 3 years or 36,000 miles. If you have trouble on the road, you can count on 24-hour Roadside Assistance for 3 years or 36,000 miles. Subaru America’s customer service representatives are specially trained to know your vehicle, every question you’ll have, and the best course of action for you. Subaru is a part of the global Subaru Corporation, a company founded in 1958 and headquartered in Japan.
